Customer Advisory

Rate Restoration

North East Asia – Australia Trade

OOCL would like to advise that there will be a Rate Restoration of **US\$250 / 20'** and **US\$500/ 40'** from **22nd of May 2023** to maintain sustainable and reliable schedule to our clients. It will be applied for both dry and refrigerated cargoes in the base ocean freight for cargoes from North East Asia to Australia.

This increase will be applied in full on top of existing ongoing market rates to all shipments based on shipment onboard date, and will be subject to ancillary surcharges applicable at the time of shipment.

Should you have any questions, please do not hesitate to contact your local Sales Executive at OOCL.

Thank you for your understanding and continued support of OOCL.

Yours faithfully,

OOCL (Australia) Pty Ltd.
